

Have your say - Aboriginal procurement policies [1]

4 July 2019

NSW Procurement is seeking feedback on the NSW Government Aboriginal Procurement Policy and Aboriginal Participation in Construction Policy.

NSW Procurement is seeking feedback on the Aboriginal Procurement Policy [2] (APP) and the Aboriginal Participation in Construction (APIC) policy [3].

The policies aim to support 3,000 employment opportunities for Aboriginal people by 2021.

The APP aims for Aboriginal owned businesses to be awarded at least 3% of domestic contracts for goods and services by 2021, while the APIC policy requires contractors to direct 1.5% of the construction project value to Aboriginal participation.

We welcome your feedback via anonymous surveys or written submissions.

Have your say by 28 July 2019 [4].
