

Accessible format request [1]

If you are not able to access a document due to a print disability, please request an alternative format.

Please note that depending on the nature of the request it may take several weeks to provide an alternative format. Please be sure to provide your contact information in case we need to contact you.

Please note that this website contains some documents that are produced by other parties. In some cases NSW Procurement may not be able to secure the information in an accessible format. We will let you know if this is the case.
